## Market Resolve

New York based firm providing comprehensive industry-specific:

- Consulting
- Software Solutions
- Staffing Services

Servicing all areas of an organization, with a focus on enterprise-wide operational management.

Through case-by-case solutions we service various market segments such as:

- Hedge Funds
- Asset Management
- Financial Institutions
- Merger Integrations
- Foreign Exchange

Combining our extensive industry expertise and cutting-edge technology we help our clients address the diverse challenges faced by today's financial services industry.

## Why Market Resolve?

We're first and foremost service driven. Our value proposition extends beyond our mid-to-back office operational expertise to create value through process efficiencies. Our extensive industry expertise and cutting-edge technology help our clients address the diverse challenges faced by the financial services industry today.

At Market Resolve we have a proven record of providing greater efficiencies and mitigating operational risk, be it through management consulting, our proprietary software, or placing highly qualified candidates within top financial services firms.

We are in the business of providing expertise be it through management consulting, software, or staffing, after all it's all about the people.

By partnering with Market Resolve, you know that one of the most reliable networks in financial services is working for you. We are continuously building our network through close working relationships with clients and candidates. Our customers tap into this network to find the best candidates to lead their company to success.

## Innovating solutions to keep you competitive

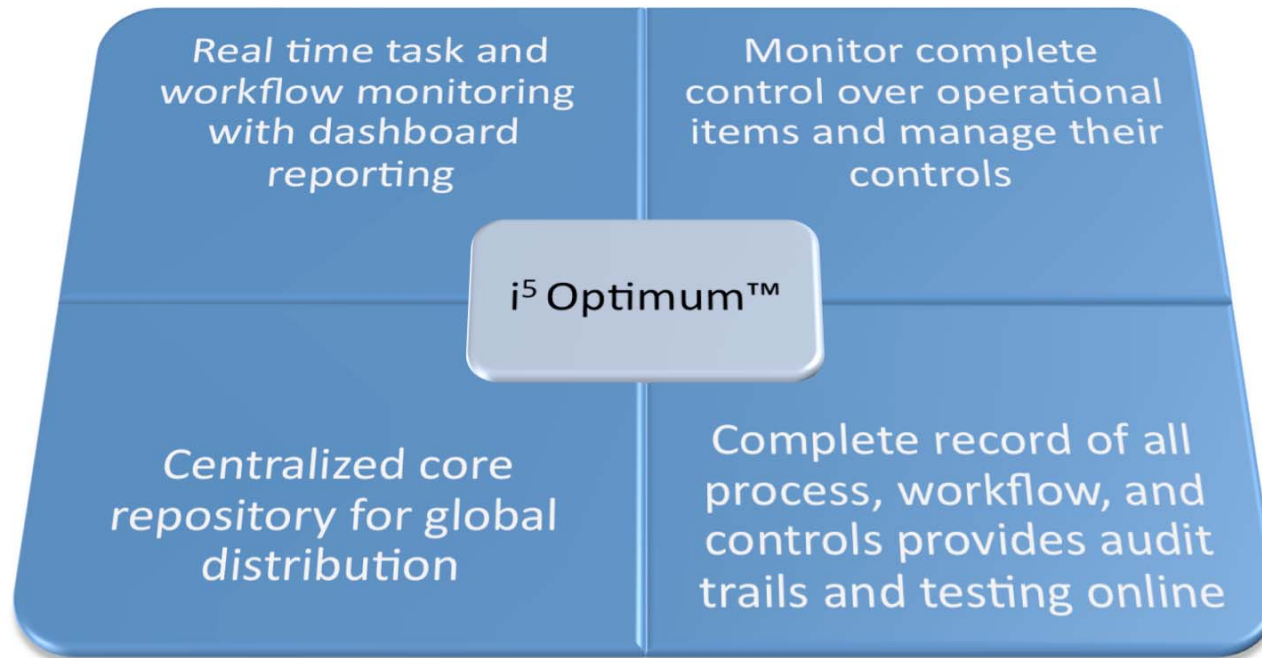

We have 100+ years of combined experience in developing frameworks to guide in the identification of more effective and efficient ways to improve business.
